

Keep track of **your** pension with

Online Pension Account

mypension

SOUTH YORKSHIRE PENSIONS AUTHORITY

In order to access your pension records and keep track of your pension account simply register for our online portal at www.sypensions.org.uk and select the **mypension** icon.

It's quick and easy to register - just follow our secure one time only registration process below. The site is safe and secure and has been designed around the needs of our members.

Registration Process

- 1** Complete the registration page where you will be asked to set a username and password. Please make sure you have your National Insurance number and email address to hand. Upon completion of the registration stage you will receive an activation code to your email address.
- 2** With your user name, password and one time activation code, log in to your secure account.

What are the benefits of being online?

Online communication is the way forward. Once you've successfully registered, you'll have access to the following:

- Produce unlimited retirement quotes.
- Check your full membership history.
- Make or update Lump Sum Death Grant Nomination(s).
- Keep track of your pension account and watch your pension grow.
- Update personal details.
- Contact us with a query.

These are just a few of the reasons to register. **mypension** allows you to access your records in a smarter and more secure way, at home or on the go.

Here to Help

If you experience any difficulties with the registration process please contact us on **01226 772923** or use our live chat facility at www.sypensions.org.uk we will be happy to help.

*Getting online
couldn't be easier!*
